

Grants Panel Member

Information Pack

Who we are

South Yorkshire's Community Foundation (SYCF) supports community groups throughout the region with grant funding and advice, helping people facing hardship and disadvantage, and those working to improve the communities they live in.

We connect people who care about our region and have the means to invest in its future, with community groups striving to build stronger and healthier futures for themselves in their communities.

We manage over £12m of endowments and trust funds, together with funds from central and local government, as well as many other public sector bodies.

We are the largest grant giving charity in South Yorkshire and a member of the 47 strong UKCF Network of community foundations.

With 36 years' experience at local level, we match the passions and values of these donors with projects and initiatives that meet local needs.

We bring together individuals, businesses, and the public and voluntary sector, so we can work together to tackle inequalities, improve the quality of life and build resilient communities.

To date we have given out £36m in grants to 6833 community groups.

In order to further develop our work, we are now seeking a number of new Grant Panel Members.

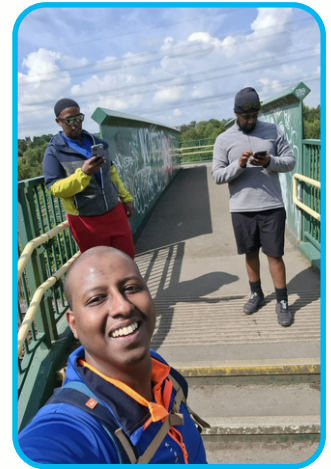

The Role

What is a Panel Member ?

- A member of a discussion or advisory panel.

Your Role

- As a Panel Member, you will have an important and valuable role to play in helping SYCF to ensure that funding is distributed where it will have the greatest effect.

Types of Panels

- The Foundation operates a number of grant panels, some which are geographically designated and others associated with separate funds (e.g. Comic Relief).

Aim of Panel

- The aim of the panel is to assess and come to conclusions on the outcomes of grant applications.
- Applications can be accepted, conditionally accepted, deferred or rejected.
- Decisions are based on your collective knowledge and experience in the light of the fund's specific purpose and targets.

Why be a Grant Panel Member?

We recognise the importance of creating positive, diverse, and inclusive environments and strongly believe that diversity in all its forms produces a stronger impact in everything that we do.

If you are passionate about improving the quality of life and creating healthier, safer and stronger local communities across South Yorkshire, apply to be a SYCF Panel Member.

- This process lets you and the Foundation know if this volunteering activity is right for you.
